#### **CEATL STATEMENT ON THE RUSSIAN INVASION OF UKRAINE**

CEATL deplores the invasion of Ukraine by the Russian Federation, an act of horrific and unwarranted aggression. We wish to express solidarity with our Ukrainian colleagues and with the population at large, and undertake to provide any help and relief within our power. Please accept assurance of our support during this terrible time, and let us know if there are any concrete measures that we and our member associations can take on your behalf.
